### 1. Introduction

This course will be taught in English. Although the subject matter is Korean law and Korean society, I will generally use romanized versions of Korean words or concepts, possibly with the Korean as well.

### 2. Course Objectives

Focus of the class is on specific legal issues or unique laws or legal systems of Modern Korea. The class will teach students about unique facets of Korean law and issues in contemporary Korean society. Thus, this class has a comparative law aspect.
